

ALEXANDER ROSE

Commercial
Installations

WELCOME

Alexander Rose was established in 1994 and is based in Burgess Hill, West Sussex, UK. We have designed and developed our furniture to be perfect for commercial use and it can be found in some of the world's most luxurious hotels, golf clubs and spas. We export to countries all over the world with high end furniture in a wide variety of traditional and contemporary designs to suit all indoor and outdoor functions.

VISION

Alexander Rose's vision is to be recognised throughout the UK, Europe and the rest of the world for the quality and design of our sustainable outdoor furniture products.

MISSION

To excel as a leading manufacturer with outstanding customer service within our industry.

WHY US

We offer a broad product range with items available in a wide selection of materials.

Our flexibility in manufacturing enables custom products to be quickly developed and manufactured to suit a specific function, style or project.

Low minimum order quantities also enable us to supply smaller scale installations and projects.

We have factories in the Philippines and in Bolivia. Owning the factories is essential as it means we can guarantee both the quality of production and consistent supply.

We control our own manufacturing at every level - from the selection of materials right through to the final packaging and testing of the finished furniture.

Our materials are sourced from all over the world, allowing us to provide you with materials of the highest quality.

ENVIRONMENT

We take our environmental responsibilities seriously.

We source responsible materials and utilise factories that possess fair and appropriate employee conditions. Wherever possible, the waste generated from our production is recycled.

FSC® certified timber is vital to us. We comply with the values of FSC®, as defined in the “Policy for the association of organisations with FSC®”. All of the timber used in Alexander Rose furniture is FSC® certified.

We are proud to be a member of the national ‘Made Aware’ environmental scheme run by LOFA (Leisure and Outdoor Furniture Association). This enables companies involved to progressively improve the environmental and social impacts of the products they sell.

To find out more about these organisations please visit:

MATERIALS

Please visit our website for full [Terms & Conditions](#) on our commercial warranties

We choose from only the highest quality materials ensuring our products stay at their best through years of use. Our products hold a commercial warranty of up to 3 years and have a durability of up to 10 years.

Timber Materials

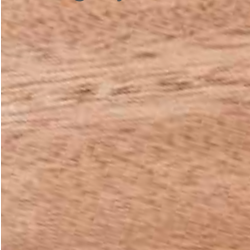

Roble

(*Amburana cearensis*)

A hardwood which is light yellow in colour and has a smooth lustre, it can be left untreated to mellow to a silver/grey colour. It's strength is similar to Teak. Our Roble is sourced from Bolivia and is FSC® 100%. Comes with a 3 year warranty and a durability of up to 10 years.

Mahogany

(*Meliaceae family*)

A hardwood that is pinkish in colour, it can be left untreated to mellow to a silver/grey colour. It is sourced from The Congo, Central Africa and is FSC® MIX. Comes with a 1 year warranty and a durability of up to 6 years.

Cornis

(*Eucalyptus tereticornis*)

A dense, closely grained hardwood, which has been oiled giving each piece of furniture a smooth brown finish. Our Cornis timber originates from the Eucalyptus trees in Uruguay and is FSC® 100%. Comes with a 1 year warranty and a durability of up to 6 years.

Pine

(*Pinus Sylvestris*)

A soft wood with an impressive yellow/green grain. Pine has been dipped treated to Category 3. Pine is sourced from Poland and is FSC® 100%. Comes with a 1 year warranty and a durability of up to 4 years.

Acrylic Cushions

These cushions are made using spun acrylic. They are double piped giving a luxurious feel and come with ties for securing to the furniture. The fabric is resistant to shrinking and staining. We recommend storing the cushions in a dry environment in winter months. Comes with a 1 year warranty and a durability of up to 3 years.

Polyester Cushions

These cushions are single piped and come with ties for securing to the furniture. The fabric is resistant to shrinking and staining, we recommend storing the cushions in a dry environment throughout the winter months. Comes with a 1 year warranty and a durability of up to 3 years.

Woven Materials

Twisted Satinwood

Woven in a traditional basket style using Twisted Satinwood *Rose Fibres*, we use this in our Hyacinth range. Comes with a 3 year warranty and a durability of up to 10 years.

Red Pine

Woven in a traditional basket style using 3mm Red Pine *Rose Fibres*, we use this in our San Marino range. Comes with a 3 year warranty and a durability of up to 10 years.

Tripe Tone Bronze

Woven in a unique 'V' and open weave pattern. Using 7mm & 12mm flat triple tone bronze *Rose Fibres*, we use this in our Ocean range. Comes with a 3 year warranty and a durability of up to 10 years.

Mocca

Woven in an open weave pattern using 7mm Mocca *Rose Fibres*, we use this in our Cabana range. Comes with a 3 year warranty and a durability of up to 10 years.

Light Khaki

Woven in a traditional basket style using light khaki coloured 7mm flat *Rose Fibres*, we use this in our Havana range. Comes with a 3 year warranty and a durability of up to 10 years..

Olefin Cushions

The cushions are made from Olefin, an (Polypropylene) outdoor fabric. They are made with 100% dyed premium Olefin yarns, meaning the fabric is rot proof and fade proof. Olefin cushions are machine washable and can be cleaned with a diluted bleach solution for more stubborn stains. The Olefin is treated with Texsilk, this means the fibres used do not absorb any water or liquid, which also makes it stain resistant. Comes with a 1 year warranty and a durability of up to 3 years.

Textured Grey

Woven in a traditional basket style using 3mm textured grey round synthetic weave. We use this in our Monte Carlo Grey range. Comes with a 1 year warranty and a durability of up to 6 years.

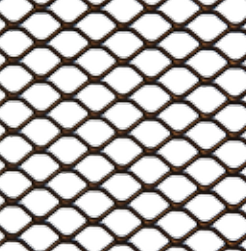

Textured Brown

Woven in a traditional basket style using 3mm textured brown round synthetic weave. We use this in our Monte Carlo range. Comes with a 1 year warranty and a durability of up to 6 years.

Mild Steel Materials

Portofino Frames

Our mild steel begins with a phosphate treatment to prevent corrosion. Next is a cathodic dip where a layer of primer is evenly applied, followed by a metallic grey powder coating, resulting in a stylish finish. Comes with a 1 year warranty and a durability of up to 4 years.

Weave

Woven in a traditional style with a two-tone 7mm flat weave. The grey fibres compliment the metallic grey table frames giving it a modern feel. Comes with a 1 year warranty and a durability of up to 4 years.

Rose-Sling

Our Rose-Sling is a tough synthetic fabric made of PVC coated polyester. It has specially formulated yarns that withstand UV fading, mildew and severe weather conditions. Comes with a 1 year warranty and a durability of up to 4 years.

Stainless Steel

We use grade 304 stainless steel tubular sections that are chemically pickled and naturally pasivated for weather protection. The steel contains chromium to provide a passive film of chromium oxide that prevents surface corrosion. Comes with a 3 year warranty and a durability of up to 10 years.

String

The string is used in the Stainless Steel stacking armchair and has a 5mm solid HDPE core with a knitted polypropelene sleeve, the overall diameter is 6mm. Comes with a 3 year warranty and a durability of up to 5 years.

Ceramic

The 6mm ceramic is made by wet grinding clayish raw materials, granite and ceramic pigments. It is then compacted by a special machining at 1200°c with hybrid firing. Comes with a 3 year warranty and a durability of up to 10 years.

Stone

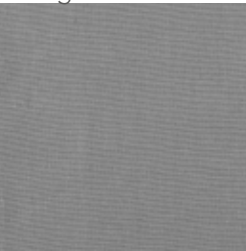

Our stone top is made from compact fibreglass cement, finished with a highly resilient granite effect coating, which is UV and weather resistant. It requires minimal maintenance. Comes with a 1 year warranty and a durability of up to 4 years.

Reversible Cushion

The decorative grey patterned fabric is spun polyester, weight 330gsm. The plain grey fabric is 230gsm. Comes with a 1 year warranty and a durability of up to 3 years.

Lounge Cushion

The lounge cushions are plain grey polyester with a weight of 230gsm. We have a selection of scatter cushions in 6 colours to add a splash of colour. Comes with a 1 year warranty and a durability of up to 3 years.

HPL

High Pressure Laminte (HPL) is produced by combining thermosetting resin with kraft paper under high temperatures. It is an extremely tough and weather resistant material. Comes with a 3 year warranty and a durability of up to 10 years.

Slate

Constructed in Glass Reinforced Concrete (GRC), these slate effect tops are used on our Stainless Steel range. Comes with a 3 year warranty and a durability of up to 10 years.

Portofino Lite Frames

Aluminium extruded tubes achieve a high strength-to-weight ratio, with the result being a very strong and light weight frame. The aluminium is resistant to corrosion which makes it ideal for outdoor use. Comes with a 1 year warranty and a durability of up to 3 years.

Portofino Lite Rose-Sling

Our Rose-Sling is a tough synthetic fabric made of PVC coated polyester. It has specially formulated yarns that withstand UV fading, mildew and severe weather conditions. Comes with a 1 year warranty and a durability of up to 3 years.

OUR SERVICE

INITIAL SITE VISIT

Your personal account manager will visit and assist you with design and layout. *
